PROFILE

A driven third-year BE-CSE student at Chitkara University, I excel in Data Structures and Algorithms through Leetcode practice and advance my web development skills via hands-on projects, with a primary focus on problem-solving. I'm eager to apply my technical expertise and problem-solving abilities in a professional setting.

EDUCATION

Chitkara University,Punjab

Bachelor Of Engineering(CSE)

08/2022 - Present

CGPA – 8.07

EXPERIENCE

[Girlscript Summer of Code Contributor \(2024 \)](#) - Contributed in Projects problem on Based on real life problems.

COURSES AND CERTIFICATES

[Generative AI by Google Cloud / \(Bagdes\)](#) : Completed Generative AI course by Google Cloud, gaining skills in AI model development and application

[Postman API Fundamentals Students Expert](#) - Completed the API Fundamentals course by Postman, gaining expertise in API testing and using Postman for development.

PERSONAL PROJECTS

[Education Web Application](#)

- Tech Stack : MongoDB, HTML, TailwindCSS, Javascript, React, Node.js, Express.js
- Technologies Used: HTML, CSS, JavaScript,React
- Development Progress: Features include 3+ interactive modules and 5 types of dynamic content management, including study material for 3+ academic standards.

[Fixmate :](#)

- Tech Stack : MongoDB, HTML, TailwindCSS, Javascript, React
- Launched Fixmate, a service aggregator platform connecting users with professional services.
- Built a custom UI for seamless navigation and enhanced user experience.
- Designed a scalable backend to manage bookings, authentication, and real-time updates efficiently.

ACHIEVEMENTS

[Pull Shark Badge on Github](#) || [Hactoberfest Badge 2024](#) || [100 Days Badge 2024](#) ||

[Solved 150+ Problems on Leetcode](#) || [Got 88.89% in NCET First Attempt](#)

Soft Skills

Problem Solving | Team Work | Logic Building | Adaptability | Critical Thinking

Technical Skills

CPP | DSA | JAVA - SpringBoot | HTML | CSS | REACT | GIT | SQL | MONGODB | REST-API

INTERESTS

Problem Solving | Travelling | Exploring | Reading Books | Continuous Learning
